Minducate
Research & Innovation Center for Science of Learning

The Minducate Science of Learning and Innovation Center Master's Student Award

The [MINDUCATE](#) Science of Learning Research and Innovation Center supports multidisciplinary research aiming to develop cutting-edge tools and solutions for understanding and enhancing human learning and revolutionizing the education system.

The **Minducate Center** offers awards for TAU Masters students from the Science of Learning Research field broadly defined.

Awardees will receive a one-time scholarship in the following amounts:

- 1st prize – 6,000 shekels** (1 prize)
- 2nd prize – 4,000 shekels** (1 prize)
- 3rd prize – 2,500 shekels** (2 prizes)

Awardees will be selected based on research excellence and research impact on the Science of Learning field and will be notified in the main poster event to be held on September 14th.

Please submit the following in a single PDF file:

1. Cover letter: applicant's name, email, research title, affiliation, advisor.
2. CV (including list of publications).
3. Research summary, including the relevance and impact of the applicant's research on the Science of Learning field (1 page).
4. A letter of recommendation from the research advisor (may be sent separately).

Applications should be sent to Orly Segev: minducate@tauex.tau.ac.il

Please state: "Minducate Master's Award + applicant name" in the subject line.

Application deadline: 31.8.2022
